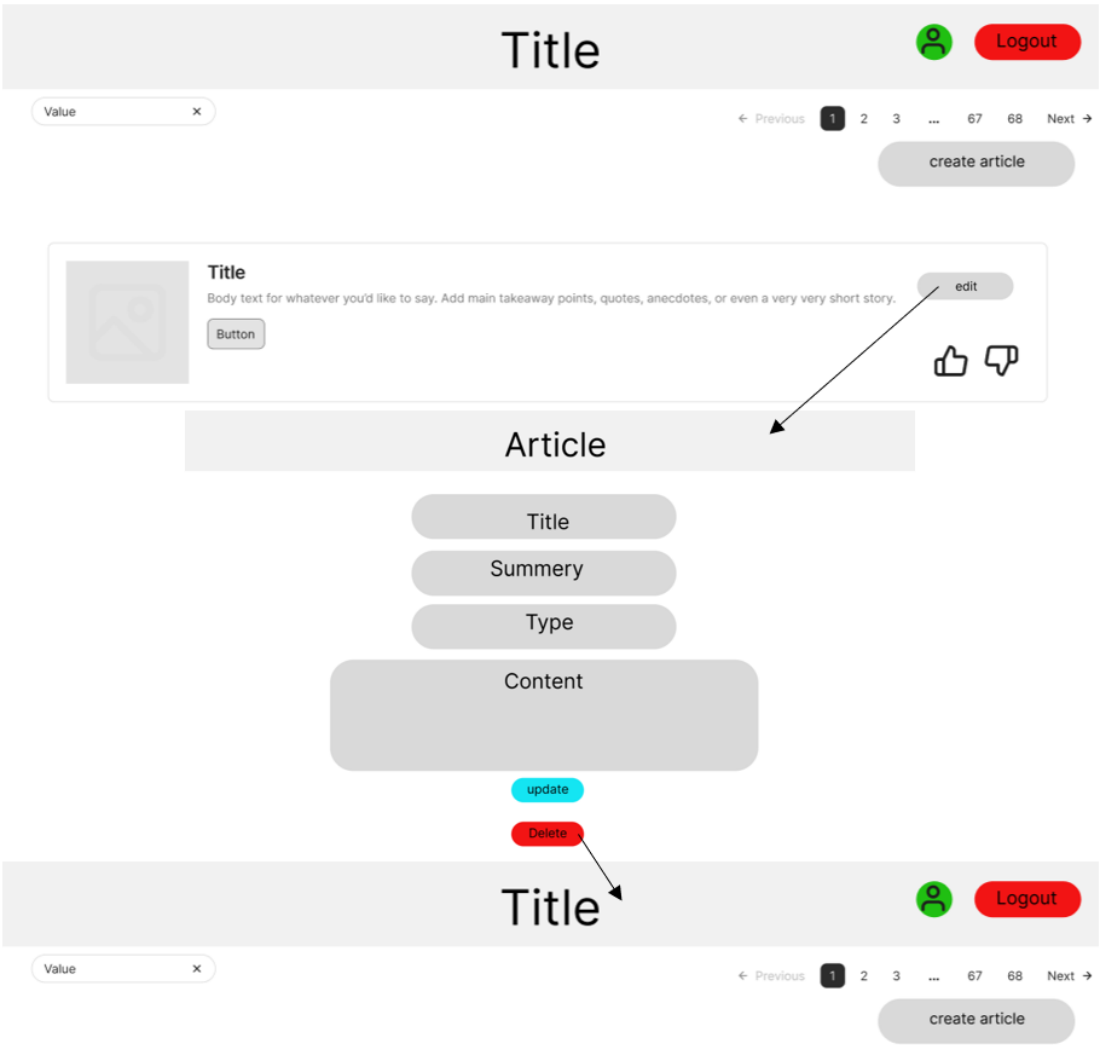
STORY DELETE

As a user
I want to delete an article
so that I'll be able to watch a list of real articles

WIREFRAMES:



ACCEPTANCE CRITERIA:

- The user is redirected to the confirmation page that now shows the text :
  "Delete article
  Are you sure you want to delete article *<article title?"* and two buttons "No thanks" and "Yes".
- If "No thanks" is pressed the user is redirected to the overview with the article not deleted.
- If "Yes" is pressed the selected article is deleted and the user is redirected to the overview with the selected deleted.
