

## STORY DELETE USER

As a user

I want to delete a user

so that I'll be able to watch a list of real users

## WIREFRAMES:

## ACCEPTANCE CRITERIA:

- The user is redirected to the confirmation page that now shows the text :  
"Delete User  
Are you sure you want to delete user <FirstName><LastName>{user id <UserId>,group<Group>,})?"  
and two buttons "No thanks" and "Yes".
- If "No thanks" is pressed the user is redirected to the overview with the user not deleted.
- If "Yes" is pressed the selected user is deleted and the user is redirected to the overview with the selected deleted.
